

OP Monitoring Committee for Multiannual Operational Programme on Environment and Energy 2024-2027, March 2026

1. Minutes from the 1st meeting of the Monitoring Committee for OP Window 3 (2024–2027) were adopted.
2. National authorities should complete the preparation of procurement documents and calls for proposals, ensuring readiness to launch tenders for the 2024 and 2025 allocations for the project proposals which the OIS are approved.
3. The national authorities will review and, where appropriate, update the procurement plan in order to accelerate implementation and enable the signing of contracts at an earlier stage, thereby supporting faster project roll-out and improved programme performance.
4. The national authorities will review the project pipeline within the Multiannual Operational Programme 2024–2027 for Window 3 in order to ensure full coverage of the programme allocation and assess the maturity, timing and feasibility of planned actions and ensure timely and effective absorption of resources.
5. EUD will continue to provide comments on the OIS and MPA of the allocations within the multiannual OP 2024-2027, to help advance the procurement process.
6. The next meeting of the OP MC is envisaged to take place in September 2026.
